

TEAM FULL THROTTLE RACER CHRISTIAN PAHUD SET FOR SHOOTOUT CHASE

Harrisburg, NC ó Team Full Throttle NASCAR Driver Development racer Christian PaHud and the Dan Snyder Racing team are preparing for the first ever Summer Shootout Semi-Pro õchase for the championshipö, which begins with the Tuesday, July 24th race at Loweø Motor Speedway. The former World Karting Association national champion goes into the seriesøeighth race tied for third in the chase standings.

õIøam proud to be representing Dan Snyder Racing and Team Full Throttle in this yearø chase,ö said the 14-year old. õWeøve done pretty well overall so far in the series. I made some mistakes and we got some bad breaks that I thought might hurt our chances to be in the top ten for the chase, so Iøam glad it worked out alright. Iøam learning a lot every time out with the Legends car. I owe a lot to Dan Snyder, and of course to my family for all of the sacrifices and effort they put behind me. I just hope I can do a good job for them these last few races and maybe get us a championship!ö

Team Full Throttle founder and Vice President Tom Baker says PaHudø success is the result of a strong team effort. õDan Snyder has done an excellent job working with Christian and keeping the car up front every week, and Christian has been getting better and better throughout the series with his driving. Mike (Calinoff) and I are pleased with his progress and we look forward to the next three races. When we suggested that Christian move up out of the karts we had hoped he would have a strong series, but we couldnø have expected heød be in the chase for the championship. Heø's been an excellent addition to our program and we expect big things from him in the future.ö
