PAHUD 2ND IN SOUTH BOSTON INEX REGIONAL SATURDAY

SOUTH BOSTON, Va. – Christian PaHud and the Kyle Beattie Racing team traveled to South Boston Speedway Saturday for an INEX regional event for legends cars at the four-tenths mile oval. PaHud started first and finished second in the pro legends class 23-car feature. The race followed a third-place effort for PaHud Friday night at Caraway Speedway in Asheboro, N.C.

“It was a good weekend,” PaHud commented. “We were real pleased after the good run at South Boston. It was a tough field with a lot of good cars so to come out of there with a second is great for us. We’ve had an up-and-down season, but hopefully the good weekend can help us get back to where we need to be.”

PaHud raced again Tuesday night in the Quaker Steak & Lube Summer Shootout at Lowe’s Motor Speedway. PaHud started the pro legends 20-lap feature in the 12th position and finished ninth.

“We took a week off from the Shootout last week and came back and ran pretty decent this week. It’s been a tough Shootout; there have been some hard wrecks we’ve gotten into so we just really wanted to get through the night clean. We raced hard and ended up ninth. The car was a little loose off the corners but other than that it was OK,” PaHud added.

On Friday PaHud and the Beattie Racing team will travel to Winston-Salem, N.C., for the annual Advance Auto Parts 199 weekend at Bowman Gray Stadium. The race will mark PaHud’s first at the flat quarter-mile oval.

Christian PaHud is a former WKA National Champion. He and his family moved to the greater Charlotte area prior to the 2007 racing season and he immediately began winning races in INEX Legends cars. He won the prestigious Summer Shootout semi-pro legends car championship in 2007 and is currently racing for an INEX national championship in the pro legends car class.

PaHud is a member of the Team Full Throttle NASCAR Driver Development Program and is represented by Driver Development Services, Inc., Charlotte, N.C. His marketing partners are Kyle Beattie Racing, RPM Race Cars, and C&S Auto.

Team Full Throttle is a Mooresville, N.C., based driver development program that specializes in all areas of personal and professional development, including leadership, teamwork, and communications as well as marketing, promotion, and on-track driving skills. TFT currently comprises over 30 racers who reside and race in all regions of the country.
