## CHRISTIAN PAHUD SET FOR RETURN TO CONCORD MOTORSPORT PARK

(Concord, NC) Team Full Throttle NASCAR Driver Development Racer Christian PaHud is planning on returning to action at Concord Motorsport Park this weekend, competing in both the Friday night show and the Sunday show with his INEX Pro Legends Car. The 15-year old will be bringing his Kyle Beattie Racing prepared racer back to the challenging CMP facility following a few weekends of competition at other Friday night venues.

"We enjoyed running Anderson and Caraway, and we had some good success with two wins at Anderson and a third at Caraway. We just decided to try some other places for a few weeks and see what else is out there for us. I wanted some experience at other tracks. We're looking forward to Concord this weekend though, and we're planning on running both Friday and Sunday."

Summing up his first season with Kyle Beattie Racing so far, Christian is pleased with the results. "Kyle and his team are a lot of fun to race with. I've learned a lot from them, and we have some really strong racers in this group with me who are great teammates as well as good drivers. I think we're going to do some stuff with Kyle's Pro Challenge car later this year so that should be a good learning experience."
