

PaHud Finishes Fifth in Tri-County Motor Speedway Season Opener

MOORESVILLE, North Carolina (April 9, 2010) - Team Full Throttle development driver Christian PaHud returned to Tri-County Motor Speedway for the opening night last Friday. He finished fifth in his first limited late model race of the season.

PaHud, who finished third in the point standings at Tri-County last year, is excited to run for the championship at the track this season. "I'm really looking forward to racing at Tri-County again this year," said PaHud. "I think we have what it takes to win the championship."

PaHud qualified third for the limited late model race at Tri-County this past Friday. "I was happy with where we started," PaHud explained. "First, second, and third qualified close together, so we weren't far off from the pole."

PaHud moved up to second place early in the race and remained there for several laps. His car got loose over the course of the race, forcing PaHud to lose a few spots. He spent the entire race in the top-five and finished the race in fifth position. Tyler Church won the event.

"I'm happy with our first race of the season," said PaHud. "It was a really good points night for us. I missed the first race at Tri-County last season, so I am glad that this year I won't have to climb out of the same points hole as I did in 2009."

Even after missing the first race of the season, PaHud was only two points out of finishing second in the standings last season.

PaHud, who currently sits fifth in the point standings, will next race at Tri-County tonight, April 9.
